

SUMMER 2023

FC ARKANSAS SOCCER CLINICS

Our summer soccer clinics are designed for players of all abilities that want to improve their soccer skills in a fun and enjoyable atmosphere. Players will learn the fundamentals of soccer, including dribbling, passing, shooting and defending through structured activities, fun games and scrimmages. Players will also improve their physical skills, like coordination and balance, build their self-esteem and explore the concept of team play in a positive and supportive way.

5 - 12 YEARS ALL ABILITIES

- ✓ Skills & ball techniques
- ✓ Footwork exercises
- ✓ Strategy & teamwork exercises
